LEAGUE PHILOSOPHY

Teaching and learning the game of baseball and softball in a safe and nurturing environment where children are free and encouraged to develop their athletic, intellectual and social skills through teamwork, fair play and sportsmanship. The opening paragraph of the West LA Little League Constitution elaborates on this and provides that "[The] objective of the League [is] to implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage and respect for authority, so that they may be well adjusted, stronger and happier children and will grow to be good, decent, healthy and trustworthy citizens." All coaches, parents and children will be held to a high standard of moral and ethical character. ALL should be role models and should act in a manner consistent with such standards.

ASAP SAFETY PLAN

As one measure to further our mission, West LA Little League and Little League International have adopted ASAP (A Safety Awareness Program) to improve and continue to provide a safer environment for all participants in Little League Baseball.

The West LA Little League Safety Manual outlines specific safety issues, league procedures and safety guidelines. All participants, volunteers, employees and spectators are bound by the guidelines set forth in this manual. Printed copies of this manual can be found in the scorer's booth above the Major's Field, in the snack shack, and on-line in the safety section on our website (www.wlall.org).

THE ROLE OF THE SAFETY OFFICER

The safety officer is a member of the West LA Little League Board of Directors, appointed to be the primary point of contact for the execution of the safety plan. The safety Officer's responsibilities include modifying the leagues safety manual on an annual basis, coordinating a safety clinic for all managers and coaches, completing an annual facility survey, reviewing all practice and game field for potential safety hazards and communicating with our local district and Little League International regarding any safety concerns.

VOLUNTEER APPLICATIONS & BACKGROUND CHECKS

As a condition of service to West Los Angeles Little League, all Managers, Coaches, Board of Director members, and other persons deemed by the West LA Little League Board of Directors to have repetitive access or contact with players or teams must complete and submit an official League Volunteer Application. West LA Little League Volunteers are required to register as a 2020 Little League Volunteer online.

As a condition of volunteering, volunteers give permission for the West Los Angeles Little League organization to conduct a background check, which may include a review of sex offender registries, child abuse and criminal history records.

Per Little League International policy, West LA Little League must do a background check for volunteers. West LA Little League utilizes JDP, Little League's recommended background check service.

Volunteers must submit and have their application approved by the League President before starting volunteer duties with West LA Little League. Applications will be retained by the league secretary in a secure location for the duration of the applicant's service to the League for that year.

SUBMISSION OF LEAGUE PLAYER REGISTRATION DATA

League player registration data and coach and manager data will be submitted via the Little League Data Center at www.LittleLeague.org.

MEDICAL RELEASE FORMS

Parents fill out and sign our online West LA Little League medical release forms when they register their child. Our form is consistent with the Little League Baseball and Softball Medical Release (see attachment). Each Manager is sent copies of these medical releases and MUST keep COPIES on hand at every practice and game. No player may participate in ANY practice or game without having completed a Medical Release Form. Secondary copies of release forms are kept on hand at the snack shack.

ACKNOWLEDGMENT OF RECEIPT AND REVIEW OF LEAGUE SAFETY MANUAL

Each manager must complete the Acknowledgment of Receipt and Review of the League Safety Manual and turn it into the League Commissioner prior to the first practice. (See attachment.) The West LA Little League Safety Manual is posted on the League website and copies are available in the Snack Shack and Scorer's booth above the Major's field. It contains a duplicate copy of the League Safety Code and other important information.

WEST LA LITTLE LEAGUE SAFETY CODE

SAFETY IS EVERYONE'S RESPONSIBILITY

The West LA Little League Safety Code MUST be discussed with all managers, coaches, players and parents at the initial team meeting. Examples of how these guidelines come into play should also be discussed. Managers, coaches and all players MUST complete and sign the Safety Code Certification Form stating that they understand and agree to comply with the Safety Code. (See attachment) The form must be turned into the Division Commissioner. It is the responsibility of the team manager to ensure that players and coaches comply with Safety Code regulations.

The Board of Directors of West LA Little League has mandated the following Safety Code:

- Responsibility for safety procedures belongs to every adult member of West LA Little League.
- Each player, manager, designated coach, umpire, team safety officer shall use proper reasoning and care to prevent injury to him/herself and to others.
- Only league approved managers and/or coaches are allowed to practice with teams.
- Only league-approved managers and/or coaches will supervise batting cages.

- Arrangement should be made in advance of all games and practices for emergency medical services.
- Managers, coaches and umpires will have mandatory training in First Aid.
- First-aid kits are located in the snack shack, in one dugout on each of the fields, and under the stairwell leading up to the office above the Major's Field backstop.
- No games or practices will be held when weather or field conditions are poor, particularly when lighting is inadequate. Play area will be inspected before games and practices for holes, damage, stones, glass and other foreign objects. Any deficiencies shall be reported promptly to the Umpire (if during a game) and to the West LA Little League Fields Director and the West LA Little League Safety Commissioner.
- Team equipment should be stored within the team dugout or behind screens, and not within the area defined by the umpires as "in play."
- Only players, managers, coaches and umpires are permitted on the playing field or in the dugout during games and practice sessions.
- Responsibility for keeping bats and loose equipment off the field of play should be that of a player assigned for this purpose or the team's manager and designated coaches.
- Foul balls batted out of playing area will be returned to a coach or to the umpire and not thrown over the fence.
- During practice and games, all players should be alert and watching the batter on each pitch.

- During warm-up drills, players should be spaced so that no one is endangered by wild throws or missed catches.
- All pre-game warm-ups should be performed within the confines of the playing field and not within areas that are frequented by, and thus endangering spectators (i.e., playing catch, pepper, swinging bats etc.).
- Equipment should be inspected regularly for the condition of the equipment as well as for proper fit.
- Batters must wear Little League approved protective helmets that bear the NOCSAE seal during batting practice and games. No stickers, paint or other alterations may be placed on or made to the helmets.
- Except when a runner is returning to a base, head first slides are not permitted.
- At no time should "horse play" be permitted on the playing field.
- Parents of players who wear glasses should be encouraged to provide "safety glasses" for their children.
- On-deck batters are not permitted. Only the batter leading off the inning is allowed outside the dugout in between innings while warm-up pitches are being thrown. That batter may only step up to the plate when directed to by the umpire.
- Managers will only use the official Little League balls supplied by West LA Little League.
- Once a ball has become discolored, it will be discarded.

- All male players will wear athletic supporters during all practices and all games.
- Male catchers must wear a metal, fiber or plastic type cup and a long-model chest protector.
- Female catchers must wear long or short model chest protectors.
- All catchers must wear chest protectors with neck collar, throat guard, shin guards and catcher's helmet, all of which must meet Little League specifications and standards.
- All catchers must wear a mask, "dangling" type throat protector (even on a "hockey" style mask) and catcher's helmet during practice, pitcher warm-up, and games. Note: skullcaps are not permitted.
- Shoes with metal spikes or cleats are not permitted. Shoes with molded cleats are permissible.
- Players will not wear watches, rings, pins, jewelry or other metallic items during practices or games. (Exception: Jewelry that alerts medical personnel to a specific condition is permissible and this must be taped in place.)
- Catchers must wear a catcher's mitt (not a first baseman's mitt or fielder's glove) of any shape, size or weight consistent with protecting the hand.
- Catchers may not catch during games without wearing full catcher's gear including an athletic cup for male catchers. During warm-ups, catchers shall also wear the appropriate protective mask, helmet, and groin protection, however, leg and chest protection is not required.

- Managers will never leave an unattended child at a practice or game.
- No children under the age of 18 are permitted in the Snack Shack without adult supervision.
- No persons under the age of 18 may assist in practices or games unless they are a League registered player, and then only with their own team.
- Never hesitate to report any present or potential safety hazard to the West LA Little League Safety Officer immediately.
- Make arrangements to have a cellular phone available when a game or practice is at a facility that does not have public phones.
- Speed Limit is 5 miles per hour in roadways and parking lots.
- No alcohol or drugs allowed on the premises at any time.
- No medication will be taken at the facility unless administered directly by the child's parent. This includes aspirin and Tylenol. Managers and coaches are not permitted to administer medication to any child.
- No playing in the parking lots at any time.
- No smoking is permitted at the field complex or grounds.
- No swinging bats or throwing baseballs at any time within the walkways and common areas of the complex. Players may not swing bats near other persons.
- No throwing rocks.

- No climbing fences.
- No swinging on dugout roofs.
- No pets are permitted on the fields at any time.
- Observe all posted signs.
- All Pitching Machine Rules must be strictly adhered to.
- Players and spectators should be alert at all times for foul balls and errant throws.
- All gates to the fields must remain closed at all times. After players have entered or left the playing field, gates should be closed and secured.
- Use crosswalks when crossing roadways. Always be alert for traffic.
- No bicycles, skateboards, scooters, etc may be ridden on WLA LL grounds.
- No one is allowed on the complex with open wounds at any time. Wounds should be treated and properly bandaged.

PITCHING MACHINE RULES: MAJORS ELECTRIC PITCHING MACHINE

1. There must be two coaches present to use the pitching machine located in the Majors cages.
2. No more than two players can be picking up baseballs at a time while the pitching machine is off.
3. While the machine is on, only one player at a time should be in the cage and he or she must be wearing a batting helmet.
4. No person under 18 years old may operate the pitching machine.
5. Only use authorized baseballs, softballs, or dimpled training balls in the machine.
6. Any person operating the machine will strictly observe the speed settings and ratios posted on the machine by the manufacturer.
7. The machine will not be operated without a second perpendicular screen positioned to restrict access to the machine by any player from the side.
8. If using a pitching machine on the field, the machine will be placed in a stable position and the power cord will be managed so players are not able to run over exposed power cord.
9. Always read and adhere to all manufacturer warnings and instructions on the machine.
10. It is the responsibility of the coach of the last team using the machine to 1) pick up all the balls; 2) cover the machine; 3) unplug and stow the power cord; and 4) ensure the machine is placed and locked in the Majors northernmost batting cage.

PITCHING MACHINE RULES: SPRING LOADED "A" BALL PITCHING MACHINES

1. Only Coaches and Managers may operate the Minors "A" ball spring loaded machines either in the cages or on the field. Players may not operate the machines.
2. The machine for the fields is stored in the left field storage fence of the Minors field and shall be returned after use.
3. Machines for use in other areas of the park, such as the Minors cages, are labeled with their proper location and shall be returned after use if they are moved.
4. At least one coach or manager from each team must be properly trained in the use of these machines. Training takes place at the Coaches Clinic that is given in conjunction with the annual safety meeting prior to the beginning of the season.
5. Settings for Pitching Machines are set and calibrated by WLALL equipment volunteers at the beginning of the season or from time to time as needed. Other than minor adjustments demonstrated during the Coaches Clinic, these machines are not to be adjusted, altered, or reassembled.
6. If there are any questions regarding use of these machines, please contact the Equipment Officer at equipment@wlall.org.

EQUIPMENT INSPECTION

Helmets

- Must be N.O.C.S.A.E. approved and the approval seal must be visible.
- Must not be painted - this includes nail polish or white-out.
- Must have a fully readable exterior warning label that must be legible (Clear tape over the label will help).
- Must be inspected before each game or practice for cracks and proper padding.
- Must have a chinstrap (minors and above, the strap is optional).
- May not be altered or modified in any way.
- A special note about "C-Flaps" or masks on helmets that protect the player's face: Equipment, such as C-Flaps or masks, that is not permanently part of, or sold with, helmets, especially those made by third parties, often cannot be affixed without modifying the helmet in some way, (e.g. drilling holes). Such modifications void the helmet manufacturer's warranty. Only unmodified helmets with C-Flaps or masks that are covered by the manufacturer's warranty and approved for use in Little League may be worn.

Bats

- Effective January 1, 2018, Little League® International Board of Directors formally adopted USA Baseball's bat standard. All bats must bear the USA Bat logo:

- That includes the moratorium prohibiting the use of all 2 ¼ inch barrel baseball bats constructed with composite material in the barrel, unless approved. [Visit LittleLeague.org](http://VisitLittleLeague.org) for detailed information.
- Must be inspected before each game or practice for dents, cracks, and flat spots.

- No altered bats, this includes painted or engraved bats.

Catcher's Gear

- Must include a chest protector with neck collar (long model required in Little League baseball), shin guards, catchers helmet, mask and throat protector at all times (Check to make sure the straps are not loose or torn).

Shoes

- No metal spikes or cleats are permitted. Rubber or molded plastic soles are acceptable.

All Players

- Must wear athletic supporter (male players). Male catchers to also wear protective hard cup.

Damaged Equipment

- Damaged equipment needs to be reported to your commissioner or Equipment Officer, (equipment@wlall.org)

FIRST AID TRAINING

All managers and coaches must be trained in First Aid at least once every three years. This is a requirement of Little League International. No manager or coach will be allowed to participate in a practice or a game until they have been trained in First Aid (by a professional) this year or in one of the prior two years. West LA Little League will keep a log of the dates of completion of training, but it is the responsibility of the team manager to make sure that he/she and coaches have attended a proper training class. West LA Little League will provide a first aid training course for managers and coaches and our District 25 Safety Commissioner will also offer a District wide training course.

For the 2020 season, first aid and safety training was provided on Saturday, January 25, 2020. A make-up session took place Thursday January 30, 2020.

COACHING CLINICS

All managers and coaches must attend a League sponsored coaching clinic every year. It is an opportunity to learn coaching techniques, drills, practice regimens, rules and coaching philosophy. No manager or coach will be allowed to participate in a practice or a game unless they have attended a coaching clinic this year or in one of the prior two years. West LA Little League keeps a log of the attendance of all managers and coaches and will enforce this rule.

For the 2020 season, a Baseball coaching clinic was provided on Saturday, January 25, 2020.

FIRST AID CLINIC

BASIC CONCEPTS

- Never assume the role of a physician.
- Whenever there is any doubt, refer to a physician.
- Always remain calm.
- Never move a player who has a potentially serious injury (head, neck, back). This includes sitting up.
- Use good judgment by stopping to think.
- Get to a phone and call parents and an ambulance, if necessary. (911)
- STOP playing the game when a serious injury occurs.
- An excellent review entitled "Prevention and Emergency Management of Youth Baseball and Softball Injuries" prepared by The American Orthopedic Society for Sports Medicine (AOSSM) can be found at:

https://www.stopsportsinjuries.org/STOP/STOP/Prevent_Injuries/Baseball_Injury_Prevention.aspx

Concepts found in this handbook were covered in our first aid clinic.

COMMON INJURIES AND IMMEDIATE FIRST-AID PROCEDURES

HEAD INJURY without loss of consciousness

No return to play that day if any symptoms (transient confusion, inattention, disorientation, amnesia, visual changes, vomiting, dizziness, delayed verbal and motor responses, slurred speech, in coordination, emotions out of proportion to circumstance). Follow up with their doctor by phone that day for further instructions and return to play recommendations.

NECK OR BACK INJURY

If the pain is severe, and especially if there is numbness or tingling or weakness in the arms or legs, do not attempt to move or sit the player up. Keep the injured player calm. Send for an ambulance. If the pain is slight, can apply cold to the area.

HEAT ILLNESS

There is a spectrum of heat illness ranging from post exercise muscle cramps to severe heat stroke. Young athletes can manifest any of the heat related illnesses. Heat exhaustion precedes heat stroke and is caused by water and/or salt depletion. Athletes will feel sick, weak; possibly have a headache and also vomiting. They should stop their activity, rest in cooler shade, and be given fluids, preferably salt containing sport drinks. Any athlete who is very lethargic and ill appearing, warm and/ or unable to drink liquids should have emergency medical care called.

EYE INJURY

A doctor should see any injured eye. Do not touch or rub an injured eye. Do NOT remove objects stuck into the eye. Cover the injured eye with a paper cup until you can get medical help. An eye injury may require a tetanus booster.

NOSE BLEED

Constant pressure at end of nose for 10 minutes. Anterior inferior part of nasal septum is where Kiesselbach's Plexus (place where nasal arteries all meet) is located and where most bleeds originate.

TOOTH TRAUMA

If permanent teeth are knocked out, find the tooth and if dirty, rinse gently. No chemical cleansers. Use milk or cold running water. Place the tooth into clean water or milk to transport it and the child to a dentist or emergency department. If the tooth is broken, save the pieces in milk.

BEE STINGS AND INSECT BITES

If one of your players is allergic to a bite or sting, it can pose a serious, even life threatening problem. Itching, burning, and hives, along with swelling about the lips and tongue with problems breathing, can indicate that a person is allergic. Ice should be applied to the site of the bee sting. Time is critical. The athlete should be transported to the hospital immediately. The stinger can be removed by carefully scraping it.

SKIN WOUNDS (abrasions, lacerations)

Wash with clean water. Use direct pressure with a clean cloth to stop bleeding. Apply antibiotic ointment and a bandage. Deep, gaping wounds will require MD evaluation urgently.

SPRAINS and STRAINS

Sprains are injuries to ligaments and strains are injuries to muscles or muscle tendons. Sprains often occur at the ankle, knees and wrist. Strains often occur at the hamstring, back muscles, or inner thigh muscles (groin pull). Symptoms of both are pain, swelling, loss of function, limited motion. Often it is hard to distinguish the two, however acutely the treatment is the same. Treatment for both is RICE = rest, ice, compression, elevation. Unlike adults, children with injuries and pain and swelling anywhere are much more likely to have a growth plate injury or occult fracture vs. a sprain or strain. Growth plate injuries or occult fractures are initially treated with RICE, however an injury in a child or young adolescent with pain and swelling will need to be evaluated by an MD.

MUSCLE CRAMPS

A muscle cramp is a contracted muscle that does not relax that causes sudden tight intense pain. This occurs most commonly at the back of the lower leg/calf (charley horse), the back of the thigh (hamstring), or the front of the thigh (quadriceps). A cramp can last a few seconds to 15 minutes or longer. Cause unknown. However, cramps are often related to poor conditioning, inadequate stretching, dehydration, and salt depletion. Gently stretch and massage the muscle. Hold in stretched position until the cramp stops. If the cramp is in the calf, push the foot against an immovable object until the pain is gone.

WIND KNOCKED OUT

This is a description of what happens when a blow to the mid upper abdomen (solar plexus) causes the diaphragm muscle to spasm and therefore one can't breathe. Inhaling and exhaling is dependent on the diaphragm. The spasm lasts seconds. Calm the child. Advise to try deep breathing.

NOTES/ HAZARDS

Managers, coaches and umpires are responsible for checking field safety conditions before each game. Safety hazards that may put players at risk must be noted and games will be postponed if there is a genuine safety concern.

ANNUAL FACILITY SURVEY

West LA Little League will conduct an annual survey of all facilities in accordance with Little League requirements. The purpose of this survey is to find and correct any concerns with fields, dugouts, bleachers, snack shacks and other facilities. This survey will be conducted by the West LA Little League President, the Field Maintenance Officer and the Safety Director. The completed facility survey will be on file with West LA Little League and submitted to Little League International.

TEN COMMANDMENTS OF SAFETY

- i. BE ALERT!
- ii. CHECK PLAYING FIELD FOR SAFETY HAZARDS
- iii. WEAR PROPER EQUIPMENT
- iv. ENSURE EQUIPMENT IS IN GOOD SHAPE
- v. ENSURE FIRST AID IS AVAILABLE
- vi. MAINTAIN CONTROL OF THE SITUATION
- vii. MAINTAIN DISCIPLINE
- viii. SAFETY IS A TEAM SPORT
- ix. BE ORGANIZED
- x. HAVE FUN!

SNACK SHACK & FOOD SAFETY

- No person under the age of 18 will be allowed behind the counter in the concession stand.
- Volunteers working in the concession stands will be trained in safe food preparation. (Safe food handling procedures are posted at the Snack Shack.)
- Employees will wash hands with soap before their shift and frequently thereafter.
- All food materials will be handled in a sanitary manner and gloves will be used to handle food materials which are not wrapped
- Training will cover safe use of the equipment.
- Cooking equipment will be inspected periodically and repaired or replaced if need be.
- Food that is not purchased by West LA Little League to sell within the snack bar will not be cooked, prepared, or sold.
- Cooking grease will be stored safely in containers away from open flames.
- Cleaning chemicals must be stored in a locked container.
- A certified Fire Extinguisher suitable for grease fires must be placed in plain sight at all times.
- All concession stand workers are to be instructed on the use of fire extinguishers.
- A fully stocked First Aid Kit will be placed in the Concession stand.
- The barbecue will be cleaned thoroughly prior to cooking. Hamburgers, chicken breasts, hotdogs and sausages should be cooked thoroughly so that there is no uncooked meat.
- Food items such as meats, condiments, onions, cheese, etc. shall be kept out of the direct sun.
- Prior to closing the Snack Shack, any food that has been heated such as nacho cheese, hamburgers, etc. will be thrown away.

THE HEIMLICH MANEUVER

The Heimlich maneuver is an emergency method of removing food or foreign objects from the airway to prevent suffocation. When approaching a choking person, one who is still conscious, ask, "Can you cough? Can you speak?" If the person can speak or cough, do not perform the Heimlich maneuver or pat them on the back. Encourage them to cough.

To Perform the Heimlich Maneuver

- Grasp the choking person from behind.
- Place a fist, thumb side in, just below the person's breastbone (sternum), but above the naval.
- Wrap second hand firmly over this fist; and
- Pull the fist firmly and abruptly into the top of the stomach.
- It is important to keep the fist below the chest bones and above the naval (belly button).

The procedure should be repeated until the airway is free from obstruction or until the person who is choking loses consciousness (goes limp). These will be violent thrusts, as many times as it takes.

Heimlich Maneuver For a Child

- Place your hands at the top of the pelvis.
- Put the thumb of your hand at the pelvis line.
- Put the other hand on top of the first hand; and
- Pull forcefully back as many times as needed to get object out or the child becomes limp.

Most individuals are fine after the object is removed from the airway. However, occasionally the object will go into one of the lungs. If there is a possibility that the foreign object was not expelled, medical care should be sought.

If the object cannot be removed completely by performing the Heimlich maneuver, immediate medical care should be sought by calling 911 or by going to the local emergency room.

COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to the following:

- The bleeding must be stopped, the open wound covered and, if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
- Routine use of gloves or other precautions to prevent skin and mucous-membrane exposure when contact with blood or other body fluids is anticipated.
- Immediately wash hands and other skin surfaces if contaminated (i.e., in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
- Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
- Practice proper disposal procedures to prevent injuries caused by needles, scalpels, and other sharp instruments or devices.
- Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
- Athletic trainers or coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition is resolved.
- Contaminated towels should be properly disposed of or disinfected.
- Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

First Aid kits and instant cold packs were placed in boxes at a dugout on each field and are maintained on a weekly basis.

- Bandages — sheer and flexible
- Non-stick pads — assorted sizes
- Soft-Gauze bandages
- Oval eye pads
- Triangular bandage
- Hypo-allergenic first aid tape dispenser
- 2-inch elastic bandage
- Antiseptic wipes
- First aid cream
- Instant cold pack
- Tylenol® extra-strength caplets
- Scissors
- Tweezers
- First aid guide, Contents card and Disposable glove

Additional first aid supplies are also available at the Snack Shack, under the stairwell at the Majors Field and in the area near T-Ball Field.

Automated External Defibrillator (AED)

West LA Little League owns three Cardiac Science AEDs. One is located in the Snack Shack, the other under the stairwell leading up to the announcer's booth at the Major's field, and a third is in the Western dugout on the Borestein Field (the field closest to Ohio Ave). These devices should be used only in the event of an emergency. AED training for all coaches was provided at our safety clinic on January 25, 2020. If you notice that this device has been used, tampered with, or otherwise in need of maintenance or fresh supplies please contact the League Safety Commissioner immediately.

CODES OF CONDUCT

At the team meeting, the Manager must read the Players Code of Conduct, the Coaches Code of Conduct and the Parents Code of Conduct to all in attendance. (See attachments.)

Managers must also make a copy of all three Codes of Conduct and distribute them to the coaches, parents and players of their team. All coaches, parents and players must sign these forms and return them to the manager. Managers must keep the originals of the signed forms and return a signed copy to the parents. When reading the Players Code of Conduct at the Team Meeting, the team Manager should discuss what the Code means, provide examples, and engage in a short discussion of the context and content of the Code. Parents should be encouraged to discuss it further with their children.

REMEMBER, MANAGERS AND COACHES ARE ROLE MODELS AND MUST ACT IN A MANNER CONSISTENT WITH THE CODE OF CONDUCT AND WITH THE HIGHEST LEVEL OF MORAL AND ETHICAL CHARACTER.

CODE OF CONDUCT CERTIFICATION FORM

Each manager, coach, player and parent must sign the applicable Code of Conduct as having read and discussed it. (See attachment.) Each team Manager should keep the original signed forms with him / her at all practices and games. Managers will need to certify to the Board that they have received ALL signed forms PRIOR to their first PRACTICE GAME. Players without signed Players Codes of Conduct and Parents Codes of Conduct will NOT be allowed to play in games. Completed Code of Conduct Certification Forms (should be returned to the Division Commissioner.)

IN CASE OF MEDICAL EMERGENCY

EMERGENCY PROCEDURES

In case of emergency take the following steps:

- Give first aid and have someone call 911 immediately if an ambulance is necessary. The address to provide is:

**1411 S. Sepulveda Blvd.
Los Angeles, CA 90024**

(Bad News Bear Fields on Sepulveda between Wilshire and Ohio)

- Notify parents immediately if they are not on the scene.
- Fill out a West LA Little League Injury Report form (See Attachment).
- Talk to the team about the event and why the situation occurred and how it might have been prevented.

REPORTING AN ACCIDENT

ACCIDENT REPORTS

Please report all accidents and injuries as follows:

- Notify league Safety Officer by phone or email or in person within 24 hours (Randall Rubin at 323.371.4595 / safety@wlall.org).
- Fill out *Program's Incident/Injury Tracking Report Form* (Please see attachment)
- Deliver the accident report to the Safety Officer within 24 hours.
- Talk with anyone else in West LA Little League (President, Vice-President, or your own division, etc.) about the incident.

West LA Little League insurance is supplemental to parents' own insurance policy. Claims must be filed with the League Safety Officer.

WHAT SHOULD BE REPORTED

An incident that causes any player, manager, coach, umpire, or volunteer to receive medical treatment and / or first aid must be reported to the Safety Officer. This includes even passive treatments such as evaluation and diagnosis as to the extent of an injury, application of an ice pack, or the need for extra periods of rest.

Near Misses should also be reported

WHEN REPORTS SHOULD BE MADE

All such incidents described above must be reported to the Safety Officer within 24 hours of the incident.

HOW TO REPORT ACCIDENTS

All accident reports are to be reported on the "Incident/Injury Report". (Please see attachment)

Accident Reports need to be completed for any injury requiring first aid. It is through the compilation of the data in these reports that the league at both the local and the national levels can develop safety policies.

Accident report forms can be obtained on the websites of West LA Little League and Little League Inc.

REMEMBER: Safety is everyone's job. Prevention is the key to reducing accidents to a minimum. Report all hazardous conditions to the West LA Little League Safety Officer or any board member immediately. Do not play on a field that is unsafe or use unsafe playing equipment. Be sure your players are fully equipped at all times, especially catchers and batters. Check you team's equipment often!

Little League® Baseball & Softball CLAIM FORM INSTRUCTIONS

WARNING — It is important that parents/guardians and players note that: *Protective equipment cannot prevent all injuries a player might receive while participating in baseball/softball.*

To expedite league personnel's reporting of injuries, we have prepared guidelines to use as a checklist in completing reports. It will save time -- and speed your payment of claims.

The National Union Fire Insurance Company of Pittsburgh, Pa. (NUFIC) Accident Master Policy acquired through Little League® contains an "Excess Coverage Provision" whereby all personal and/or group insurance shall be used first.

The Accident Claim Form must be fully completed, including a Social Security Number, for processing. To help explain insurance coverage to parents/guardians refer to *What Parents Should Know* on the internet that should be reproduced on your league's letterhead and distributed to parents/guardians of all participants at registration time.

If injuries occur, initially it is necessary to determine whether claimant's parents/guardians or the claimant has other insurance such as group, employer, Blue Cross and Blue Shield, etc., which pays benefits. (This information should be obtained at the time of registration prior to tryouts.) If such coverage is provided, the claim must be filed first with the primary company under which the parent/guardian or claimant is insured.

When filing a claim, all medical costs should be fully itemized and forwarded to Little League International. If no other insurance is in effect, a letter from the parent/guardian or claimant's employer explaining the lack of group or employer insurance should accompany the claim form.

The NUFIC Accident Policy is acquired by leagues, not parents, and provides comprehensive coverage at an affordable cost. Accident coverage is underwritten by National Union Fire Insurance Company of Pittsburgh, a Pennsylvania Insurance company, with its principal place of business at 175 Water Street, 18th Floor, New York, NY 10038. It is currently authorized to transact business in all states and the District of Columbia. NAIC Number 19445. This is a brief description of the coverage available under the policy. The policy will contain limitations, exclusions, and termination provisions. Full details of the coverage are contained in the Policy. If there are any conflicts between this document and the Policy, the Policy shall govern.

The current insurance rates would not be possible without your help in stressing safety programs at the local level. The ASAP manual, **League Safety Officer Program Kit**, is recommended for use by your Safety Officer.

TREATMENT OF DENTAL INJURIES

Deferred Dental Treatment for claims or injuries occurring in 2002 and beyond: If the insured incurs injury to sound, natural teeth and necessary treatment requires that dental treatment for that injury must be postponed to a date more than 52 weeks after the date of the injury due to, but not limited to, the physiological changes occurring to an insured who is a growing child, we will pay the lesser of the maximum benefit of \$1,500.00 or the reasonable expense incurred for the deferred dental treatment. Reasonable expenses incurred for deferred dental treatment are only covered if they are incurred on or before the insured's 23rd birthday. Reasonable Expenses incurred for deferred root canal therapy are only covered if they are incurred within 104 weeks after the date the Injury is sustained.

CHECKLIST FOR PREPARING CLAIM FORM

1. Print or type all information.
2. Complete all portions of the claim form before mailing to our office.
3. Be sure to include league name and league ID number.

PART I - CLAIMANT, OR PARENT(S)/GUARDIAN(S), IF CLAIMANT IS A MINOR

1. The adult claimant or parent(s)/guardians(s) must sign this section, **if the claimant is a minor.**
2. Give the name and address of the injured person, along with the name and address of the parent(s)/guardian(s), if claimant is a minor.
3. Fill out all sections, including check marks in the appropriate boxes for all categories. **Do not leave any section blank. This will cause a delay in processing your claim and a copy of the claim form will be returned to you for completion.**
4. It is mandatory to forward information on other insurance. Without that information there will be a delay in processing your claim. If no insurance, written verification from each parent/spouse employer must be submitted.
5. Be certain all necessary papers are attached to the claim form. (See instruction 3.) Only itemized bills are acceptable.
6. On dental claims, it is necessary to submit charges to the major medical and dental insurance company of the claimant, or parent(s)/guardian(s) if claimant is a minor. "Accident-related treatment to whole, sound, natural teeth as a direct and independent result of an accident" must be stated on the form and bills. Please forward a copy of the insurance company's response to Little League International. Include the claimant's name, league ID, and year of the injury on the form.

PART II - LEAGUE STATEMENT

1. This section must be filled out, signed and dated by the **league official.**
2. Fill out all sections, including check marks in the appropriate boxes for all categories. **Do not leave any section blank. This will cause a delay in processing your claim and a copy of the claim form will be returned to you for completion.**

IMPORTANT: Notification of a claim should be filed with Little League International within 20 days of the incident for the current season.

PARENTS AND SPECTATORS

The Board of Directors of West Los Angeles Little League has mandated the following Code of Conduct for all Parents and Spectators. Parents of all players are required to sign this Code of Conduct indicating that he/she has reviewed and understands and agrees to comply with this Code of Conduct.

All Parents and Spectators shall:

- PROVIDE POSITIVE SUPPORT, CARE AND ENCOURAGEMENT FOR MY CHILD AND OTHER CHILDREN PARTICIPATING THE LEAGUE.
- BE SUPPORTIVE AND UNDERSTANDING OF OTHER ADULTS, INCLUDING UMPIRES AND PARENTS OF THE OPPOSING PLAYERS INVOLVED IN THE GAME.
- NOT, AT ANY TIME, LAY A HAND UPON, PUSH, SHOVE, STRIKE OR THREATEN TO STRIKE AN OFFICIAL, UMPIRE, BOARD MEMBER, COACH, PLAYER OR OTHER SPECTATOR.
- NOT VERBALLY ABUSE, INSULT OR SPEAK DISRESPECTFULLY TO ANY OFFICIAL, UMPIRE, BOARD MEMBER, COACH OR OTHER SPECTATOR.
- ENCOURAGE AND RECOGNIZE GOOD SPORTSMANSHIP FROM ALL PLAYERS.
- PLACE THE EMOTIONAL AND PHYSICAL WELL BEING OF MY CHILD AND OTHER CHILDREN AHEAD OF A PERSONAL DESIRE TO WIN.
- INSIST THAT MY CHILD PLAYS IN AS SAFE AND HEALTHY AN ENVIRONMENT AS POSSIBLE.
- SUPPORT COACHES AND OFFICIALS WORKING WITH MY CHILD IN ORDER TO ENCOURAGE A POSITIVE EXPERIENCE FOR ALL.
- REFRAIN FROM USING, AND DEMAND AN ENVIRONMENT AT WEST LA LITTLE LEAGUE THAT IS FREE OF DRUGS, TOBACCO AND ALCOHOL.
- REMEMBER THAT THE GAME IS FOR THE KIDS, NOT THE ADULTS.

-
- DO MY BEST TO MAKE THE LITTLE LEAGUE EXPERIENCE FUN FOR MY CHILD.
 - ASK MY CHILD TO TREAT OTHER PLAYERS, COACHES AND OFFICIALS WITH RESPECT.

The West LA Little League Board of Directors will review all infractions of the Code of Conduct. Depending on the seriousness or frequency, the Board may assess disciplinary action up to and including expulsion from the league. I have read the West LA Little League Code of Conduct and promise to adhere to its rules and regulations.

- NOT, AT ANY TIME, LAY A HAND UPON, PUSH, SHOVE, STRIKE OR THREATEN TO STRIKE AN OFFICIAL, UMPIRE, BOARD MEMBER, COACH, PLAYER OR SPECTATOR.
- NOT VERBALLY ABUSE, INSULT OR SPEAK DISRESPECTFULLY TO ANY OFFICIAL, UMPIRE, BOARD MEMBER, COACH OR OTHER SPECTATOR
- PLACE THE EMOTIONAL AND PHYSICAL WELL BEING OF MY PLAYERS AHEAD OF MY PERSONAL DESIRE TO WIN.
- TREAT EACH PLAYER AS AN INDIVIDUAL, REMEMBERING THE LARGE RANGE OF EMOTIONAL AND PHYSICAL DEVELOPMENT WITHIN THE SAME AGE GROUP.
- PROVIDE A SAFE PLAYING ENVIRONMENT FOR MY PLAYERS AND TO AHERE STICTLY TO ALL LEAGUE SAFTEY GUIDELINES.
- ORGANIZE PRACTICES THAT ARE FUN, CHALLENGING AND INSTRUCTIONAL FOR MY PLAYERS.
- REFRAIN FROM USING, AND PROVIDE AN ENVIRONMENT AT WEST LA LITTLE LEAGUE, THAT IS FREE OF DRUGS, TOBACCO AND ALCOHOL
- BE KNOWLEDGEABLE IN THE RULES OF BASEBALL/SOFTBALL AND TO TEACH THESE RULES TO MY PLAYERS.
- USE THE APPROPRIAE COACHING TECHNIQUES FOR THE SKILLS THAT I TEACH.
- REMEMBER THAT I AM A YOUTH BASEBALL/SOFTBALL COACH, AND THAT THE GAME IS FOR THE CHILDREN, NOT THE ADULTS.

-
- ENCOURAGE AND RECOGNIZE GOOD SPORTSMANSHIP FROM ALL PLAYERS AND SPECTATORS.
 - BE A ROLE MODEL FOR ALL PLAYERS, OTHER COACHES AND SPECTATORS AND SHALL LEAD BY EXAMPLE UPHOLDING THE HIGHEST MORAL AND ETHICAL STANDARDS.
 - EXPLAIN TO MY PLAYERS THE “PLAYERS” CODE OF CONDUCT AND ENFORCE COMPLIANCE SUCH CODE BY MY PLAYERS.

The West LA Little League Board of Directors will review all infractions of the Code of Conduct. Depending on the seriousness or frequency, the Board may assess disciplinary action up to and including expulsion from the league. I have read the West LA Little League Code of Conduct and promise to adhere to its rules and regulations.

Suggestions for Warm-up Drills

Heel Cord Stretches

Lean against a wall. Reach one leg behind you. Keep the knee straight, heel on the ground, and toes pointed forward. Slightly bend the leg that's closer to the wall. Lean forward. You should feel the stretch along the back of your calf. Repeat with other leg.

Head and Neck Circles

Make a circle with your head, going around first in one direction five times. Then reverse and make five circles in the opposite direction.

Low Back Stretches

Lie on your back, bring one knee up, and pull the knee slowly toward your chest. Hold and repeat three times. Switch legs and repeat.

Shoulder Stretches #1

Stand or sit, holding your throwing arm at the wrist with your other hand. Put your arm over your head and pull gently, feeling your upper arm against your head. You should feel the stretch inside your shoulder.

Shoulder Stretches #2

Stand or sit, holding onto the elbow of your throwing arm with your other hand. Gently pull your throwing arm across your chest. You should feel the stretch inside your shoulder, especially at the back.

Shoulder Stretches #3

Stand or sit with your pitching arm out to the side and your elbow bent. Move your arm back until you feel the stretch in the front of your shoulder.

Thigh Stretches #1

Sit on the ground. Stretch both legs out in front of you. Reach forward, touching your toes. Eventually, you want to lean forward far enough to put your head on your knees. You should feel the stretch along the backs of your legs.

Thigh Stretches #2

Sit on the ground with one leg stretched out in front of you. Bend the other knee and put your foot behind you. Lean backwards. You should feel the stretch along the front of your thigh.
